## CONSIGNOR AGREEMENT

This Little Piggy has the right to refuse any object that you may wish to consign. We accept only great quality, like-new merchandise. Merchandise must be clean, without noticeable flaws, and in working order. Please do not bring in items that are noticeably stained, wash worn, or with any other defects. If we are sorting your items and see that the majority of your items are unusable, we will return all of your items to you so that you can sort them before you bring them back. We do not accept used socks or underwear. Bras are allowed.

Due to limited space, the maximum number of clothing items you can bring in at one time is 30.

For items that we refuse to sell, you have the following options. Please initial or check by your choice.

\_\_\_\_\_ Please donate my unusable items

\_\_\_\_\_ I wish to pick up my unusable items within 5 days of notification. If not collected within 5 days, my items will be donated.

Items will be discounted periodically to help promote sales. Once an item has exceeded 30 days in the store, we may choose to remove the item from display or discount it.

For items that have not sold, you have the following options. Please initial by your choice.

\_\_\_\_\_ Please donate my unsold items.

\_\_\_\_\_ I wish to pick up my unsold items within 5 days of notification. If not collected within 5 days, items will be donated.

Items that were unsold and then collected by you may be brought back to consign again at a later time. Consignors typically receive 40% of the selling price.

Keep in mind that at times we do run promotions and your items may sell at a lower price than originally intended.

Your available account balance can be picked up at any time or credited to your purchases in the store. For accounts having over \$25 at the end of the month, a check will be mailed to you. All other accounts need to come in to collect their money.
